

6 January 1958

MEMORANDUM FOR: AD/CR

SUBJECT : Notes [] for Visit to NSA.

1. Jointly [] we supply NSA with a microfilm copy of every IAC document we photograph and with a source card to match each microfilm. The program has been in operation since October 1955. A comment from NSA on the benefits of the project to date would be of interest.

2. As we modify [] to fit Survey suggestions and to incorporate Minicard it will be important to plan with NSA for changes in the preceding services.

3. An NSA employee, [] is on duty full time [] performing document liaison services and screening CIA documents allocated to NSA. She is an effective person and relations are entirely cordial.
